

CEA offers the housing options listed below in Paris. Every attempt will be made to match each student's preferences with our housing options; however, **housing preferences cannot be guaranteed** as roommate and housing assignments are based upon availability, date of confirmation, and other factors. We encourage you to apply early as it will assist us in organizing your housing arrangements.

**Housing assignments in the Early Start portion of the program (Fall semester only) may differ from the housing assignments for the remainder of the semester.*
